

# INTRODUCING JOLI BLON

Crisp and smooth as gold- Joli Blon Blonde Ale from Bayou Teche Brewing is medium in body, golden in color, and mildly sweet with a lacy white head and light floral and citrusy notes. This beautiful golden blonde ale is a modern take on a traditional blonde ale brewed in small batches with fine quality malts and American hops. It's a thirst quencher for our hot Louisiana weather and pairs well with all our spicy and hot cuisine.

**M** MCNEESE  
STATE UNIVERSITY

*Joli Blon* is an adaptation of *Jolie Blonde*, a traditional Cajun waltz often referred to as the Cajun National Anthem. *Joli Blon* has been played at McNeese State University football games since 1951 and it became the university's official song in 1970. When McNeese scores, the marching band strikes up *Joli Blon* and fans clap and sway right and left ending with a thunderous round of applause.
